

## Maths Challenge 2

# Four Fours

Using only the basic four operations and four fours can you use your maths skills to get all the values between 1 and 20.

For example:  $4 + 4 + (4 \div 4) = 9$

1	_____	11	_____
2	_____	12	_____
3	_____	13	_____
4	_____	14	_____
5	_____	15	_____
6	_____	16	_____
7	_____	17	_____
8	_____	18	_____
9	_____	19	_____
10	_____	20	_____
