

ParentPay

From September, the online payment service ParentPay is the only way that parents/carers can give their child money to pay for any food and drink they would like to purchase during break and lunch. Due to Covid-19 physical money will not be accepted.

You should have already received a letter containing your username and password. If you have not already done so, please use these details to access your ParentPay account.

If you have not received this letter, please contact learningsupport@yewlandsacademy.org

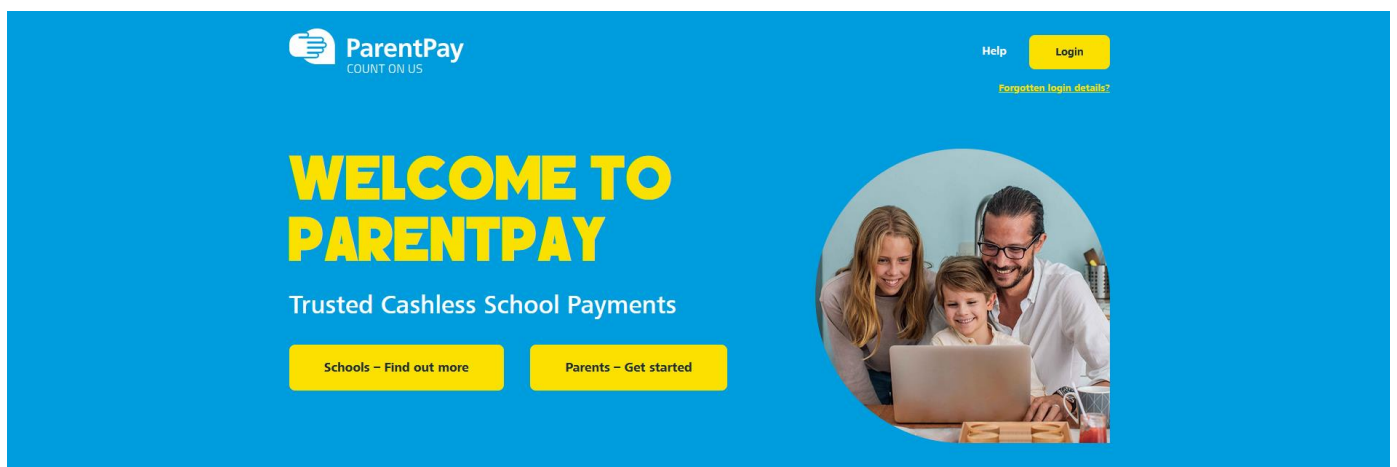

How to log in to ParentPay

You can access your ParentPay account via any web browser using your computer or mobile device.

To access your account visit <https://www.parentpay.com/> or search for ParentPay using any search engine.

If you are new to ParentPay, click on the 'Parents – Get Started' button at the centre of the screen.

To login to your account, click on the 'Login' button at the top right.

You will then be asked to provide an email/username and password.
